No. 3826—J. 418, dated 17th September 1895.

The following Rules made by the Government of Mysore under Section 15 of the Mysore Prisoners' Testimony Regulation V. of 1894, for regulating the escort of prisoners to and from the Court in which their presence is required, and fixing the amount to be allowed for the costs and charges of such escort, are hereby promulgated for general information, and shall come into force from and after the twelfth day of September 1895—

RULES.

1. At the same time that a process under Sections 2, 3, 6 and 11 is transmitted to the officer in charge of the Jail or Lock-up, a copy of the order shall be sent to Superintendent or Assistant Superintendent of Police, within whose jurisdiction the Jail or Lock-up is situated, who is responsible for providing a proper escort and receiving the custody of the prisoners while absent from Jail.
2. Prisoners under sentence for a criminal offence are to be handcuffed before leaving the Jail; the handcuffs are not to be removed, except when the prisoners are before a Court or confined in a Lock-up.
3. The Court should, if possible, return prisoners under this Regulation to confinement either in Jail or in Lock-up during the hours of day-light for safe custody by night.
4. The scale for escort of prisoners given in Circular No. 3861—133, dated 25th May 1894, issued by the Inspector General of Police, shall be applicable to prisoners sent to Court under the provisions of this Regulation.
5. The charges under Section 14 of this Regulation will be on the following scale—
For each Constable 4 annas and for a Dafadar 6 annas per diem, when the prisoners proceed by regular marches, or from the Jail to the Court in the same station.
6. When the prisoners and escorts have to proceed by railway, the train hire must be paid in addition to the charges specified in Rule 5. Prisoners shall ordinarily be sent by rail when that mode of conveyance is available.
7. Where railway communication does not exist, prisoners shall ordinarily be sent by marches from Police Station to Police Station, provided that, if the evidence of the prisoners be urgently required to avoid inconvenience to parties or witnesses, or for other valid reasons (to be certified by the Court issuing the process), the prisoners and escort may be forwarded by carts or carriages drawn by post or tappal bullocks or horses. This procedure shall only be adopted under the written order of the Court requiring the witness. The cost of the carriage of the prisoners and escort will be charged in addition to the expenses detailed in Rule 5.
8. When a prisoner is summoned by a Court under the provisions of this Regulation, the Superintendent of the Jail or the officer in charge of the Lock-up from which the prisoner is moved, shall fix the scale and description of diet to be allowed to such prisoner during his absence from Jail, and the officer in charge of the Police escort shall see that the diet fixed by the Superintendent of the Jail or the officer in charge of the Lock-up is, as far as possible, given in each case. The cost of dieting prisoners under this rule shall be included in the bill of costs which the Superintendent or Assistant Superintendent of Police presents for payment to the Court issuing the process.
9. It shall be the duty of the Superintendent or Assistant Superintendent of Police, on receiving a copy of the order mentioned in Rule 1, to make out a bill of costs, including the cost of dieting, and present it for payment to the Court which issued the process.
